★ JINDAL WORLD SCHOOL ★

JULY

MESSAGE FROM THE CHAIRMAN'S SIR DESK

It gives me immense pleasure to welcome you back to Jindal World School after the summer break. I hope the vacation provided you with time to relax, rejuvenate, and create cherished memories with your family and friends. As you return to school, you also return to a place where dreams are nurtured, talents are discovered, and futures are shaped.

Education is much more than acquiring knowledge from books. It is a journey of developing character, values, confidence, and the ability to make a positive difference in the world. Every lesson you learn, every challenge you overcome, and every goal you achieve contributes to building the foundation of your

future. Therefore, I encourage each one of you to embrace this academic session with dedication, determination, and a spirit of excellence.

The world around us is changing rapidly, and the leaders of tomorrow will be those who remain curious, adaptable, and committed to lifelong learning. Make the most of every opportunity that comes your way. Participate actively in academics, sports, arts, cultural activities, and community initiatives. These experiences help you develop important life skills such as teamwork, leadership, creativity, and resilience.

As members of the Jindal World School family, let us continue to uphold our values of integrity, respect, compassion, and responsibility. Let kindness guide your actions, let discipline shape your habits, and let perseverance drive your efforts. Remember that success is not measured only by achievements but also by the positive impact you create in the lives of others.

I am confident that each one of you possesses immense potential. Believe in yourselves, dream big, and work diligently toward your goals. Together, let us make this academic year a memorable journey filled with learning, growth, innovation, and success.

Heartfelt best wishes to all students for a productive, joyful, and enriching year ahead.

MESSAGE FROM THE DIRECTOR'S SIR DESK

A very warm welcome back to Jindal World School after the summer vacation!

I hope each one of you enjoyed a wonderful break filled with happiness, relaxation, family time, and new experiences. Vacations give us the opportunity to refresh our minds, explore our interests, and return with renewed energy. As we step into a new phase of the academic year, I am delighted to see our school once again buzzing with enthusiasm, laughter, and the spirit of learning.

The beginning of a new term is like opening a new chapter in a book. It brings fresh opportunities to learn, grow, and discover our potential. Each day at school offers valuable lessons—not only through textbooks but also through interactions, activities, teamwork, and experiences that shape our character. I encourage all of you to approach every challenge with confidence and every opportunity with enthusiasm.

Remember that learning is a lifelong journey. The habits you build today—discipline, curiosity, perseverance, and responsibility—will guide you throughout your life. Do not be afraid of making mistakes, for they are often the stepping stones to success. Ask questions, think creatively, participate actively, and strive to give your best in everything you do.

As we move forward together, let us continue to uphold the values of respect, kindness, integrity, and excellence that define our school community. Support your classmates, respect your teachers, and take pride in being a part of Jindal World School.

I look forward to witnessing your achievements, talents, and growth in the months ahead. May this term be filled with meaningful learning, joyful experiences, and countless opportunities to shine.

Wishing you a successful, inspiring, and rewarding academic journey.

INTERESTING FACTS ABOUT MONSOON IN INDIA

Amazing facts about the life-giving rains!

- 1 The monsoon brings about 70–80% of India's yearly rainfall.

- 2 The monsoon usually enters India through Kerala in early June.

- 3 India has two monsoons: the Southwest Monsoon and the Northeast Monsoon.

- 4 Peacocks often dance before rain, making them a symbol of the monsoon season.

- 5 Farmers depend on monsoon rains to grow crops like rice, maize, and cotton.

- 6 The word “monsoon” comes from the Arabic word *mausim*, meaning “season.”

- 7 Clouds during the monsoon can travel thousands of kilometers across oceans before reaching India.

- 8 The wettest place on Earth, Mawsynram, Meghalaya, receives most of its rain during the monsoon.

- 9 Monsoon rains help fill rivers, lakes, and dams, providing water for people and animals.

- 10 Many frogs become more active during the monsoon because they breed in rainy weather.

- 11 Lightning is common during monsoon storms, so it is important to stay indoors during thunderstorms.

- 12 Rainwater helps cool the environment after the hot summer months.

DID YOU KNOW?

A single large rain cloud can contain millions of tiny water droplets, and together they can weigh as much as several elephants!

Little Stories, Big Lessons

The Eagle and the Crow

One day, an eagle was soaring high in the sky, enjoying the cool breeze and the beautiful view below. As it flew peacefully, a crow noticed it and became jealous of the eagle's strength and grace. The crow decided to trouble the eagle. It flew up, landed on the eagle's back, and began pecking at its feathers. The crow expected the eagle to become angry and fight back.

However, the eagle remained calm. Instead of wasting its energy arguing or fighting, it spread its powerful wings and flew higher into the sky.

As they climbed, the air became colder and thinner. The crow soon found it difficult to breathe and keep flying. Tired and uncomfortable, it finally gave up and flew away.

The eagle continued its journey peacefully, never looking back at the crow.

The other birds admired the eagle's wisdom. They learned that true strength is not shown by fighting every problem but by rising above it.

Moral: Do not waste your time and energy on negativity. Rise above it and focus on your goals.

तितली का संघर्ष

एक दिन एक बच्चा बगीचे में खेल रहा था। उसने देखा कि एक तितली अपने कोकून से बाहर निकलने की कोशिश कर रही है। उसे तितली पर दया आ गई।

उसने कैंची से कोकून को काट दिया ताकि तितली आसानी से बाहर आ सके। तितली तो बाहर आ गई, लेकिन उसके पंख कमजोर थे और वह उड़ नहीं सकी।

बच्चे ने यह बात अपने शिक्षक को बताई। शिक्षक ने समझाया, "कोकून से बाहर निकलने का संघर्ष ही तितली के पंखों को मजबूत बनाता है।"

बच्चे को अपनी गलती का एहसास हुआ। उसने सीखा कि जीवन में आने वाली कठिनाइयाँ हमें मजबूत बनाती हैं।

शिक्षा: संघर्ष ही सफलता की सीढ़ी है। 🌱
